

All India Institute of Local Self Government (AIILSG), Mumbai invites applications.

Maharashtra WASH & Environmental Sanitation Coalition (Maha-UWES-C), is a joint initiative of AIILSG Mumbai and UNICEF Maharashtra. The Secretariat of this Coalition is anchored at RCUES of AIILSG, Mumbai, a Centre established by Government of India. We are successfully stepping into a fifth year of this programme and are looking forward to strengthening the team at this Secretariat, to work under its State as well as local level interventions in water, community sanitation, used water management, dry waste management, *SafaiMitra Suraksha* and climate action in both, urban and rural areas.

Maha-UWES-C is a unique State level forum, that works to build capacities, encourage innovations and facilitate partnerships amongst the Government Department, Donors, Development Organisations and Communities. It is working to influence policies through its partnerships with three key Departments of Government of Maharashtra including Urban Development Department, Water Supply & Sanitation Department and Department of Environment & Climate Change. At the same time, it is working closely with the Urban Local Bodies and communities to create evidence and demonstrate innovative models in service delivery and resource recovery. More information about its work can be accessed at: [Website](#), [LinkedIn](#)

The team member will have a unique opportunity of working with a range of Government as well as non-Government stakeholders involved in the sector and contributing to collaborative action towards achievement of common goals.

Post: Project Manager / Technical Expert (Solid Waste Management)
